Highly Motivated, self starting web developer seeking to launch a career building web applications and services.

## WORK EXPERIENCE

### Construction Worker

09/2015 to 11/2021

Anything Goes

Hendersonville, NC

I was responsible for the installation and maintenance of new construction, renovations and other projects. This includes preparing kitchens, bathrooms, showers, restrooms, toilets, sinks, fixtures, etc. My primary responsibility was to provide quality work in accordance with company standards as well as customer needs.

### Self-Taught Web Developer

02/2021 to Present

I'm a self-taught web developer. I work with my hands on a variety of web development tasks throughout the day, including front end engineering, and visual design (using HTML, CSS, and JavaScript) as well as back end programming (using Django and Python).
